

Craterellus cornucopioides

Totentrompete

Fungi, Dikarya, Basidiomycota, Agaricomycotina, Agaricomycetes, Cantharellales, Cantharellaceae, Craterellus

Legitimate

(L.) Pers. 1825

Aktueller Name gem. MycoDB: *Craterellus cornucopioides* (L.) Pers., *Mycologia Europaea* 2: 5 (1825) [MB153130]

Basionym: *Peziza cornucopioides* L., *Species Plantarum*: 1181 (1753) [MB202936]

Obligate Synonyme:

Cantharellus cornucopioides (L.) Fr., *Systema Mycologicum* 1: 321 (1821) [MB294066]

Merulius cornucopioides (L.) Pers., *Synopsis methodica fungorum*: 491 (1801) [MB473318]

Helvella cornucopioides (L.) Scop., *Flora carniolica* 2: 476 (1772) [MB186108]

Craterella nigrescens Pers., *Neues Magazin für die Botanik* 1: 112 (1794) [MB468954]

Helvella punctata Schaeff., *Fungorum qui in Bavaria et Palatinatu circa Ratisbonam nascuntur Icones* 4: 107, t. 166 (1774) [MB469091]

Helvella cornucopioides (L.) Bull., *Herbier de la France* 11: t. 498:3 (1791) [MB491639]

Elvela cornucopioides (L.) Scop., *Flora carniolica* 2: 476, no 1608 (1772) [MB527961]

Craterella cornucopioides (L.) Pers., *Tentamen dispositionis methodicae Fungorum*: 71 (1797) [MB495675]

Octospora cornucopioides (L.) Timm, *Flora megapolitanae Prodomus exhibeus plantas ductatus Megapolitano*: 262 (1788) [MB497349]

Pezicula cornucopioides (L.) Paulet (1791) [MB431909]

Sterbeeckia cornucopioides (L.) Dumort., *Commentationes botanicae*: 33 (1822) [MB432064]

Dendrosarcus cornucopioides (Pers.) Kuntze: 463 (1898) [MB524930]

Cantharellus cornucopiae Wallr., *Flora Cryptogamica Germaniae* 2: 628 (1833) [MB562463]

Dendrosarcus cornucopioides (L.) Kuntze (1898) [MB527942]

Taxonomische Synonyme:

Craterellus ochrosporus Burt, *Annals of the Missouri Botanical Garden* 1: 334 (1914) [MB189923]

Helvella cornucopiae Schaeff., *Fungorum qui in Bavaria et Palatinatu circa Ratisbonam nascuntur Icones* 4: 107, pl. 165 (1774) [MB469089]

Agaricus cinereus Batsch, *Elenchus fungorum*: 93 (1783) [MB490136]

Merulius purpureus With., *A botanical arrangement of British plants* 3: 280 (1792) [MB275779]

Elvela cornucopiae Schaeff. (1774) [MB527960]

Elvela punctata Schaeff. (1774) [MB527965]
