

Hydnellum concrescens

Gezonter Korkstacheling

Fungi, Dikarya, Basidiomycota, Agaricomycotina, Agaricomycetes, Russulales, Peniophoraceae

Legitimate (Pers.) Banker 1906

Aktueller Name gem. MycoDB: Hydnellum concrescens (Pers.) Banker, Memoirs of the Torrey Botanical Club 12: 157 (1906) [MB414441]

Basionym: Hydnum concrescens Pers., Observationes mycologicae 1: 74 (1796) [MB200205]

Taxonomische Synonyme:

Hydnellum subsuccosum K.A. Harrison, Canadian Journal of Botany 42 (9): 1228 (1964) [MB332094]

Hydnum vespertilio Berk., Hooker s Journal of Botany and Kew Garden Miscellany 6: 167 (1854) [MB180952]

Hydnellum vespertilio (Berk.) Banker, Mycologia 5 (6): 198 (1913) [MB469501]

Hydnellum zonatum f. vespertilio (Berk.) Coker & Beers, The stipitate hydnums of the eastern United States: 80 (1951) [MB346903]

Hydnellum parvum Banker, Mycologia 5 (4): 200 (1913) [MB469498]

Hydnum parvum (Banker) Trotter, Sylloge Fungorum 23: 471 (1925) [MB230582]

Hydnellum scrobiculatum f. parvum (Banker) D. Hall & D.E. Stuntz, Mycologia 64 (3): 584 (1972) [MB348218]

Hydnum fasciatum Peck, Annual Report on the New York State Museum of Natural History 41: 78 (1888) [MB147757]

Hydnellum fasciatum (Peck) Coker & Beers, The stipitate hydnums of the eastern United States: 77 (1951) [MB298549]

Phellodon fasciatus (Peck) Banker, Memoirs of the Torrey Botanical Club 12: 171 (1906) [MB503224]

Calodon fasciatus (Peck) Pat., Essai taxonomique sur les familles et les genres des Hyménomycètes: 118 (1900) [MB505208]

Hydnum spathulatum Lloyd, Mycological Writings 6 (61): 878 (1919) [MB473494]

Calodon fasciatus (Peck) Pat. (1900) [MB490742]

Schwierige Abgrenzung zwischen H. scrobiculatum und concrescens

makroskopisch

Hutoberfläche

Filzig, nicht glatt, gezont

Oxidation / Verfärbung: Fruchtkörper, Milch, Röhren

Bei Druck schwärzend

botanisch / ökologisch

Standort

Gerne an Moos

mikroskopisch

Sporenform

Grob-höckerig

Gattung/en:Hydnellum <https://www.mycopedia.ch/pilze/3767.htm>**Siehe auch**Abortiporus biennis <https://www.mycopedia.ch/pilze/8741.htm>Coltricia perennis <https://www.mycopedia.ch/pilze/6875.htm>

Hydnellum conrescens
